Mission

Our Mission is to provide services of the highest quality for people with cognitive and developmental disabilities and related disorders including autism that optimize each individual's independence and capabilities, ensure self-determination and rights and, with partnerships in the community, enhances their opportunities to live healthy, safe and valued lives.

Vision

Our Vision is to provide programs and services to individuals with developmental disabilities and related disorders including autism to live and work in the community and exercise their rights, choice and freedom and to live independent of institutional life through integrated efforts of change agents who are passionate about changing lives of people with disabilities throughout the world

September Employee of the Month

Ms. Aderonke Ekpu is a dedicated employee with passion to make every day special for the individuals. She is invested in and dedicated to all of the individuals as well as her co-workers. She remains flexible and a true team player to get the things completed within her assigned home as well as in neighboring homes for CSC. Ms. has taken the initiative to fill in for others to ensure quality services are continued in the absence of regularly assigned staff. We appreciate her willingness to go above and beyond what is expected.

Thanks for being our model staff. **Congratulations Ms. Ekpu!**

Vehicle Accidents

Many careless accidents have been occurring in our vehicles. As everyone knows, many of our vehicles are getting older and need to be handled with care.

Be Safe!

Before leaving in any vehicle

- Check the vehicle and your surroundings.
- See where other cars are parked.
- Check for obstacles that may make maneuvering difficult.
- Check for damages to the vehicle and tires.
- If you note anything new contact your coordinator and do not move the vehicle.

**We thank you for
